ISSUE:

Renew contracts with Behavioral Health Strategies for mental health benefits to the City's employees.

SYNOPSIS:

Renew the contracts for Fiscal Year 2015-2016.

BACKGROUND:

Behavioral Health Strategies has been providing mental benefits for West Valley City for the past three years. Bloomquist Hale, our current employee assistance provider, and University of Utah Health Care have teamed together to provide mental health benefits at a low cost to the city. We have had amazing success in keeping our premium costs low during the past few years.
